

EXPOSED!

THE FIVE TRAINERS THAT EXCEL WITH UN-EXPOSED CHASERS...

It's a simple fact that some trainers are much better at successfully placing their young un-exposed chasers than others.

As always, these opportunities need to be exploited by us shrewd punters. If there is an edge then we need to be all over it and filling up our betting banks with the profits.

What follows are the FIVE BEST TRAINERS on the National Hunt circuit at finding winning (and profitable) openings for the un-exposed chasers within their ranks.

Together these five trainers have returned **+£443.31 level stakes profit to Betfair SP** since the start of 2013.
