There doesn't look to be any out and out pace-setter in this field so may possibly fall to **MOYHENNA** to lead them along in the early stages.

Conclusion/Selection(s)

DOCTOR DUFFY (C Byrnes) – Ran a sound enough race last time out in the Kerry National (3rd) although a mistake at the first probably put him a little out of position in the early stages. Davy Russell taking over in the saddle is certainly interesting as the Byrnes/Russell partnership at Limerick with 4yo-7yo's return a very eye-catching...8/20 | 40% S/R | +£21.63 BFLSP – W&P 16/20 | 80% S/R – 15% above expectation...Doctor Duffy fitting that angle here, and hopefully there's still some improvement to come from the 7yo.

ROARING BULL (G Elliott) – Fresh can be a good time to catch this 7yo, with form figures of 1-1-3-1 to his name off breaks of 121 days or more. He's also got a fine record to his name under the following...3m or less | NO Heavy in the going | NOT a very undulating track...where he is 6/12, 1p – all 6 of his career wins. He's not scared of a big field either – form of P51066F1 in fields of 16+ - and he's interesting at a price.

Of the others on the shortlist MOYHENNA clearly has an outstanding chance of going one better than the Kerry National last time out, especially at a track he loves (2-2-1-F at Limerick) whilst MORTAL needs to show he really wants to be tackling these 3m+ trips (now 0/7 over 2m5.5f+ trips).
