## Ben's thoughts...

**MILITIA (7.03 Catterick)** the 7yo was pitched in too high last time out at Chester (C2 and he is 0/8, 1p at C2 level) and this drop to a C4 will be much more to his liking. He also has a fine record at Catterick (23114 - only beaten 1.5L on the 4th in a C2) and he has a good draw to attack from here in stall 3, with the other potential pace angles drawn in the 2 widest stalls. Since being with Paul Midgley he is unbeaten under these conditions... **OR 82 or less | fields of 10 or less | DSLR 15 or less = 11111 (5/5 - all 5 wins since with Midgley)**... and it would be disappointing should he not feature strongly in this.
