Ben's thoughts...

All of varying levels of interest, with the following I've got a bit more to say about...

GOMETRA GINTY (430 Carlisle) doesn't like to be crowded and prefers fields of 8 or less so she ran a decent race in an 11-runner field at Musselburgh last time out, posting a decent figure despite not having PC to attack. She gets PC here... G/S+ | 8 or less runners | OR 80 or less = 8/15, 3p - all 8 career wins... at a track where she is 2 from 4 at (including this race last year from a 1lb lower mark) and she's also an unbeaten 3 from 3 on turf in June when racing in fields of 8 or less. Callum Rodriguez back in the saddle is a definite bonus as not only as he won 4-times on the mare he also has some very strong stats at Carlisle under these conditions... C Rodriguez | Carlisle Handicaps over 7f+ | fields of 7-10 = 10/24 | 42% S/R | +£31.99 BFLSP - W&P 12/24 | 50% S/R - 129% above exp.
