Ben's thoughts...

INDIAN SOUNDS (415 Ayr) some decent stats for Paul Midgley runners when he makes the journey to Ayr with just the one horse and he's also had his string in decent form recently, with his stats since the 26th of last month reading...6/19, 4p... and his last 11 runners returning a form line of... 27122150161 (4/11, 3p). INDIAN SOUNDS had the worst of the draw at Pontefract LTO (drawn 7th of 7 over 5f) so his 4th is plenty better than the bare form suggests, that race also working out well so far, with 3 winners already coming from it.
