## ○ BATH – MONDAY 27<sup>TH</sup> APRIL ○

 Firm, Good to Firm in places

 Cloudy but warm forecast Sunday & Monday with very low chance of rain

### **2:00 - 1M3.5F APPRENTICE HANDICAP (CLASS 6) (4YO+)**

#### Draw/Pace

Small advantage to sit in **MIDFIELD** over this trip at Bath (on the likely ground and field size)... small advantage to be drawn in the **MIDDLE THIRD** of the draw over this trip at Bath (on the likely ground and field size)...

The early pace is likely to come from **ENDOFASTORM (Stall 4)** and she could get a solo lead in the early stages of this contest...

#### TRENDS/STATS/NOTES/POINTERS/FORM

#### **MOON OVER THE SEA (A Carroll)** 🤔

Handicap Sleeper who goes well under these conditions...

**(Since with A Carroll) OR 56 or less | carrying 9-07 or less | Dec-Apr | NOT drawn in Q1 of draw = 8/20, 7p – all 8 career wins**

A Carroll has some solid stats at Bath in similar races to this...

**A Carroll | Bath Apprentice Hcps | horses with 3-6 starts last 90-days | DSLR 42 or less = 8/27 | 30% S/R | +£67.88 – W&P 16/27 | 59% S/R – E/W = +£90.20 || 114% above exp**

A Carroll & Myla Coppins have some solid stats together in similar races...

**A Carroll/M Coppins | Hcps with 9 or less runners | horses aged 5yo+ | SP 14/1 or less = 9/23, 7p | +£53.97 – 100% above exp**

\*\*

#### FINAL THOUGHTS...

**MOON OVER THE SEA** is the only one flagging up at me here and he does look the most likely winner, with Prime Conditions to attack and positive trainer/trainer & jockey stats also on his side...

## 2:30 – 1M2F HANDICAP (CLASS 6) (4YO+)

### Draw/Pace

Positive to **FRONT-RUN** over this trip at Bath (on the likely ground and field size)... positive to be drawn **MIDDLE to HIGH** over this trip at Bath (on the likely ground and field size)...

No obvious pace angle in this one... **RATING (Stall 6)** can be prominent and has been right up with the pace on a couple of occasions... **PAPS OF JURA (4)** front ran LTO (didn't work out well for him!) and wears a 1<sup>st</sup> time hood here, so he could tear away out front again if the headgear sparks him up... **BOBBY DASSLER (5)** has front-run at times throughout his career... whoever decides/finds themselves at the front could get a solo lead in the early stages...

### TRENDS/STATS/NOTES/POINTERS/FORM

#### **PARTY ISLAND (DJ Coakley)** 🤔

Handicap Sleeper who goes well under these conditions...

**OR 75 or less | Hcps worth <5k | 7.5f-1m4f | DSLR 42 or less = 8/19, 6p - 8 of 9 career wins**

#### **BOBBY DASSLER (BJ Murphy)** 🤔

Handicap Sleeper who goes well under these conditions...

**Turf hcps | OR 67 or less | Flat LH tracks | DSLR 70 or less = 10324142 (2/8, 3p - both career wins)**

#### **RATING (Miss G Harris)**

Far from a prolific type (1/25 in career) but switch to the Harris yard does seem to have sparked some life into her (form of 1/6, 2p), she goes well at Bath (form of 333 - 0/3, 3p) and she does go well under these conditions...

**C5 or less (<4k to winner) = 81332323 (1/8, 6p)**

Harris & Rossa Ryan have some solid stats together in similar types of races...

**G Harris/R Ryan | Turf C4 or less 3yo+ & 4yo+ Hcps | Same or up 1 class level = 9/42 | 21% S/R | +£71.36 – W&P 13/42 | 31% S/R – 132% above exp**

 **FINAL THOUGHTS...**

*Low grade stuff and muddied further by no clear/obvious pace in the race...*

**RATING** *could be the answer though, she goes well in the class level and at the track and the Harris yard look to have unlocked something with her...*

## 3:00 – 5.5F MAIDEN (CLASS 4) (2YO)

### Draw/Pace

*Positive to be on or very near the pace over this trip at Bath (on the likely ground and field size)... no major pos/neg when it comes to the draw...*

*Very limited starts for the field (only 2 have previously run) so hard to determine the likely pace with any confidence...*

### TRENDS/STATS/NOTES/POINTERS/FORM

#### KING OF MONTENEGRO (B Meehan)

*Brian Meehan holds some strong stats with similar types in similar races at the track...*

**B Meehan | Bath 2yo races | Good+ | IRE or USA bred horses with 0-1 career starts = 12/27 | 44% S/R | +£34.10 – W&P 18/27 | 67% S/R – E/W = +£43.31 || 91% above exp**

#### GLOBAL SUCCESS (J Moore)

*J Moore holds some tight stats with similar types in similar races to this...*

**J Moore | turf 5f-6f | 2yo's on 2<sup>nd</sup> career starts | Same or up in class | DSLR 4-20 | SP 12/1 or less = 12/39 | 31% S/R | +£50.58 – W&P 23/39 | 59% S/R – E/W = +£69.69 || 89% above exp**

*\*Very limited qualifiers on this 'angle' in recent years...*

### FINAL THOUGHTS...

*Hard to have a strong opinion on this one... Brian Meehan does do well in these types of races so **KING OF MONTENEGRO** could well be the answer...*

## 3:30 – 5F HANDICAP (CLASS 4) (3YO)

### Draw/Pace

A positive to be **on or near the pace** over this trip at Bath (on the likely ground and field size)... A slight **negative to be drawn high** at the trip (on the likely ground and field size)...

**GUERNSEY ANGEL (Stall 6)** looks the one most likely to want to grab the early lead... **ALKUWARRIOR (2)** may also want a piece of the early pace action... between them they should set a solid enough early gallop in this...

### TRENDS/STATS/NOTES/POINTERS/Form

#### **ALVIN (G Scott)**

George Scott has some strong stats in 3yo Handicaps at this stage of the season...

**G Scott | 3yo Hcps in March-May | SP 6/1 or less | DSLR 30 or less | Won or beaten 5L or less LTO = 20/47 | 43% S/R | +£28.88 – W&P 27/47 | 57% S/R – 43% above exp**

#### **SOLAR INVINCIBLE (R Teal)**

Roger Teal has some decent stats with similar LTO winners in 3yo Hcps...

**R Teal | 3yo hcps in Apr-Sept | horses with 1-2 career wins | WON LTO = 9/35 | 26% S/R | +£62.97 – W&P 23/35 | 66% S/R – E/W = +£74.33 || 48% above exp**

Roger Teal has some strong stats with LTO winners returning to the same track...

**R Teal | Hcps | SP 8/1 or less | Same or up in class | Same or up in trip | at least 3lbs higher than last race | WON at same track LTO = 17/39 | 44% S/R | +£32.90 – W&P 26/39 | 67% S/R – E/W = +£39.57 || 79% above exp**

### FINAL THOUGHTS...

**SOLAR INVINCIBLE** has improved with each run since CP's were applied and the Roger Teal stats highlighted suggest there's a decent chance of him backing up his CD win from LTO with another big effort here...

I get the appeal of **ALVIN**, although the odds look on the tight side at around 6/4 and shorter... I can leave him at those odds (may play if he drifts a bit)...

## **4:00 – 5F HANDICAP (CLASS 5) (4YO+)**

### **Draw/Pace**

A positive to be **on or near the pace** over this trip at Bath (on the likely ground and field size)... No major pos/neg with regards to the draw at the trip (on the likely ground and field size)...

**SO SMART (Stall 6)** looks the one that will head off in the lead here and he'll likely set a strong tempo out front... **SOLAR EDGE (2)** may press for a share of the early lead as well although he may just settle behind the main front-runner (SO SMART)...

### **TRENDS/STATS/NOTES/POINTERS/FORM**

#### **SO SMART (G Harris)** 🙄

Handicap Sleeper who goes well under these conditions...

**Turf Hcps on Galloping or Average speed tracks | OR 71 or less | TT worn | DSLR 10-25 = 5/17, 4p - all 5 career wins**

#### **THE FEMININE URGE (G Harris)** 🙄

Handicap Sleeper who goes well under these conditions...

**Turf Hcps | OR 67 or less = 311331 (3/6, 3p - all 3 career wins)**

Harris & Rossa Ryan have some solid stats together in similar types of races...

**G Harris/R Ryan | Turf C4 or less 3yo+ & 4yo+ Hcps | Same or up 1 class level = 9/42 | 21% S/R | +£71.36 – W&P 13/42 | 31% S/R – 132% above exp**

### **FINAL THOUGHTS...**

Both of the Harris runners – **SO SMART & THE FEMININE URGE** - have their Prime Conditions to attack and I'm happy to play them both...

## **4:30 – 1M HANDICAP (CLASS 4) (4YO+)**

### **Draw/Pace**

*A slight positive to be **on or near the pace** and a slight negative to be **held-up out the back** over this trip at Bath (on the likely ground and field size)... No major pos/neg with regards to the draw at the trip (on the likely ground and field size)...*

***EUPATOR (Stall 4)** looks the one that will head off in the lead here and **SPECIAL GHAIYYATH (3)** will probably be up there as well... between them they should give a decent injection of early pace to the race..*

### **TRENDS/STATS/NOTES/POINTERS/Form**

#### **CANDONOMORE (S Williams) 🤔**

*Handicap Sleeper who goes well under these conditions...*

**OR 80 or less | C4 or less Hcps (<12k) | fields of <12 | Apr-Sept = 2214211 (3/7, 3p - all 3 career hcp wins)**

*SC Williams has some solid stats with similar quick returning horses...*

**SC Williams | Handicaps in Central and Southern England | Male horses aged 6yo or younger | DSLR 7 or less | Top 3 finish LTO = 67/179 | 37% S/R | +£54.78 – W&P 103/179 | 58% S/R – 26% above exp**

### **FINAL THOUGHTS...**

***CANDONOMORE** is the only one flagging up on any of my angles and he does look the solid option here... Sean Levey getting the leg up is a positive as his stats at Bath on horses aged 3yo+ that start at an SP of <4/1 is strong... 14/31, 10p | +£15.66 – 39% above exp...*

## 5:00 – 1M HANDICAP (CLASS 6) (3YO)

### Draw/Pace

A slight positive to be **on or very near the pace** and a slight negative to be **held-up out the back** over this trip at Bath (on the likely ground and field size)... No major pos/neg with regards to the draw at the trip (on the likely ground and field size)...

No obvious front-runner in this field so race could turn out to be slowly run/falsey run... **ARVANA BELLE (Stall 7)** is possibly the most likely candidate to go from the front and **MISS MAMBO (2)** may be close or near the front of the race as well, although neither would be guaranteed to out on the front end from the off...

### TRENDS/STATS/NOTES/POINTERS/FORM

#### **ARVANA BELLE (B R Millman)**

B R Millman has solid tracks stats in similar races to this...

**B R Millman | Bath 3yo Hcps over 1m2f or less | Apr-July | Top-rated or no more than 13lbs below | Ran on Turf LTO = 11/43 | 26% S/R | +£63.66 – W&P 17/43 | 40% S/R – E/W = +£71.19 || 45% above exp**

#### **ZOUSTAR (G Boughey)**

George Boughey has strong stats with similar LTO winners in 3yo Hcps...

**G Boughey | C4 or less 3yo Hcps | horses with 0-4 Handicap starts | WON LTO = (since 2022) 20/47 | 43% S/R | +£13.53 – W&P 31/47 | 66% S/R – 15% above exp**

George Boughey also has strong stats at Bath with similar types...

**G Boughey | Bath | SP <6/1 | Top 4 finish LTO = 15/30 | 50% S/R | +£27.81 – W&P 22/30 | 73% S/R – 57% above exp**

### FINAL THOUGHTS...

Looks a bit of a trappy/tricky closer, with the lack of obvious pace muddling things slightly... the stats that **ZOUSTAR** flags up on do, however, look strong and he looks worthy of a play...
