## GOODWOOD – SATURDAY 2<sup>nd</sup> MAY

 Good

 Medium to high chance of some rain on Saturday from around 1pm/2pm

### **12:55 – 1M MAIDEN STAKES (CLASS 4) (3-5YO)**

#### Draw/Pace

Small advantage to **FRONT-RUN/SIT CLOSE TO THE PACE** over this trip at Goodwood (on the likely ground and field size)... an advantage to be drawn in the **BOTTOM** to **MIDDLE THIRD** of the draw over this trip at GOODWOOD (on the likely ground and field size)...

Not much to go on with regards to potential early pace, given the lightly raced nature of the field... potential that **SHEBARA (Stall 5)** could find herself in the lead in the early stages of this contest, although that's far from a guarantee...

#### TRENDS/STATS/NOTES/POINTERS/FORM

#### **ADALO (W Haggas)**

William Haggas has some strong stats in similar types of Maiden races at Goodwood...

**W Haggas | Goodwood Maiden races over 6f-1m4f | C3-C5 | 13 or less runners = 15/30 | 50% S/R | +£57.55 – W&P 19/30 | 63% S/R – 90% above exp**

Haggas has some solid stats with similar 3yo debutants...

**W Haggas | 3yo's on career debut in May-Aug | Turf 7f-1m2f | G/S+ | SP 6/1 or less = (since 2021) 17/40 | 43% S/R | +£44.68 – W&P 22/40 | 55% S/R – 60% above exp**

#### **CIARRAI ABU (H Eustace)**

Harry Eustace has strong stats with similar types in Maiden races...

**H Eustace | 3yo's in Maiden's | 1+ career start | 0-1 runs last 90-days | SP <4/1 = 10/20 | 50% S/R | +£9.36 – W&P 16/20 | 80% S/R – 23% above exp**

## **SHEBARA (A Balding)**

*Andrew Balding has strong stats with similar types in Maiden races...*

**A Balding** | 3yo's with 3, 4 or 5 previous career starts | 7.5f – 1m0.5f Maiden races | Same trip/down in trip/up no more than 1f in trip = 23/53 | 43% S/R | +£11.35 – W&P 37/53 | 70% S/R – 15% above exp

### **FINAL THOUGHTS...**

**SHEBARA** might be the answer here... David Probert jumps on board for the first time, and he has some strong stats for Balding in similar races to this... A Balding/D Probert | 3-5yo Maiden races | Dec-May = 22/55, 18p | +£47.13 – 30% above exp...

## **1:30 – 6F FILLIES STAKES (LISTED) (3YO)**

### **Draw/Pace**

**Positive to FRONT-RUN** over this trip at Goodwood and a **small negative to race HELD-UP** (on the likely ground and field size)... **Small negative to be drawn in the TOP THIRD** of the draw over this trip at Goodwood (on the likely ground and field size)...

The early pace looks most likely to come from **FITZELLA (stall 3)** with **SOUL LOVE (1)** probably sitting right on her tail... that suggests that the early pace may come from the bottom third of the draw, which could give an advantage to those drawn low to middle...

### **TRENDS/STATS/NOTES/POINTERS/Form**

#### **ZOOMING (W Haggas)**

William Haggas has some solid stats in races restricted to females at Goodwood...

**W Haggas | Non-Hcp Female only races at Goodwood in Apr-July | Good+ | SP 9/1 or less = (since 2012) 11/31 | 35% S/R | +£28.76 – W&P 19/31 | 61% S/R – 35% above exp**

#### **HASSALEH (C Appleby)**

Charlie Appleby has some strong stats at Goodwood with similar LTO Winners...

**C Appleby | Goodwood | WON LTO | DSLR 56 or less | up 1, 2 or 3 class levels | SP 5/1 or less = 10/18 | 56% S/R | +£19.03 – W&P 11/18 | 61% S/R – 85% above exp**

### **FINAL THOUGHTS...**

*I'll probably leave this one alone from a betting perspective...*

## 2:05 – 1M FILLIES STAKES (LISTED) (3YO+)

### Draw/Pace

Positive to be **ON or VERY NEAR THE PACE** over this trip at Goodwood (on the likely ground and field size)... no major pos/neg when it comes to the draw...

No out and out front-runner in this although **SHE'S PERFECT (Stall 4)** does like to be prominent and has front-ran at times, so she could find herself setting the pace... **BLUE BOLT (2)** front-ran on some of her early starts but was held on to/sat behind pace for her last 2 runs, but she's another that could find herself in the lead here...

### TRENDS/STATS/NOTES/POINTERS/Form

#### **ARISAIG (C Johnston)**

Charlie Johnston has some tight stats at Goodwood with similar types at this time of year...

**C Johnston | Goodwood May-July | GB bred horses | SP 10/1 or less = 9/17 | 53% S/R | +£33.42 – W&P 11/17 | 65% S/R – 139% above exp**

Jamie Spencer rides Goodwood well under similar conditions...

**J Spencer | Goodwood 1m-1m4f Non-Hcps | Fields of 8 or less | horses with 0-2 seasonal starts = 12/31 | 39% S/R | +£62.40 – W&P 15/31 | 48% S/R – 99% above exp**

#### **BLUE BOLT (A Balding)**

Horse goes well under these conditions...

**1m-1m0.5f | Listed level or less = 111 (3/3 – all 3 career wins)**

### FINAL THOUGHTS...

Happy to leave this one alone... could be a muddling pace at play so no desire to get involved...

## **2:45 – 2M HANDICAP (CLASS 4) (4YO+)**

### **Draw/Pace**

A positive to race **CLOSE TO THE PACE/PROMINENT** over this trip at Goodwood (on the likely ground and field size)... A positive **to be drawn LOW to MIDDLE** at the trip (on the likely ground and field size)...

No confirmed out and out front-runner in this... but the likes of **NOVELISTA (Stall 1)**, **AGGAGIO (3)**, **APPIER (5)** and **ARC ZOOSVE (7)** have all led in some of their recent starts and between them they should give a solid early pace shape to this race...

### **TRENDS/STATS/NOTES/POINTERS/FORM**

#### **ST MAWES (E Lavelle)**

Emma Lavelle has some strong stats with similar LTO Winners...

**E Lavelle | Flat/All-Weather | 3yo-6yo's | fields of 14 or less | WON LTO = (since 2020) 10/20 | 50% S/R | +£71.18 – W&P 13/20 | 65% S/R – 158% above exp**

#### **APPIER (R Bandey) 🤔**

**OR 81 or less | Hcps in May-June = 52113131111 (7/11, 1p – 7 of 10 career wins)**

 **AGGAGIO (G&J Moore)** 

*Handicap Sleeper who goes well under these conditions...*

**OR 84 or less | Goodwood | 1m3f-2m = 4313412111 (5/10, 2p – all 5 career Turf wins)... Prime Condition form improves on Soft & G/S to... 11211 (4/5, 1p – 2<sup>nd</sup> by a short-head)**

### **FINAL THOUGHTS...**

**ST MAWES** kicked his gear up a notch when heading over 2-miles on his final 2 starts last season and there was plenty in those runs (both wins) that suggest he's still got improvement to come from his mark of OR 78... **Emma Lavelle also holds some strong stats with her Geldings in Flat-A/W races over 2m-2m0.5f at C3 level or less that starts at SP 12/1 or less... 11/25, 7p | +£45.44...**

**OR 77 or less | 5f | Race worth <6k = 73121 (2/5, 2p - both career wins)**

 **FINAL THOUGHTS...**

**SOLVENCY** goes well under these conditions and might get a solo lead out front in this, and James Owen does have his string in good form just now, with 5 winners and 4 placed from their last 17 runners...

**SERENITY STAR** also goes well under these conditions and already has a win on his CV at Goodwood, so we know he handles this test well (he's the only Course winner in the field)...

## 4:00 – 1M2F HANDICAP (CLASS 2) (4YO+)

### Draw/Pace

A positive to be **HELD-UP** or **SITTING MIDFIELD** and a slight negative to be **PROMINENT** or **FRONT-RUN** over this trip at Goodwood (on the likely ground and field size)... No major pos/neg with regards to the draw at the trip (on the likely ground and field size)...

**No obvious early pace angle** in this one and there's a chance this could turn out to be a slowly/falsely run affair...

### FINAL THOUGHTS...

**LOVE BEACH** posted a big career best LTO at Nottingham and he looks like he still has plenty to play with on the handicapping front... New Bay offspring (which he is) tend to handle the Goodwood undulations well - 2yo-4yo New Bay offspring at Goodwood | C2 or less | SP <8/1 = 11/24, 6p | +£35.54 – and he can hopefully add to those stats here...
